Dear Powers Music School Scholarship Applicant:

Enclosed is the 2018-2019 Scholarship Application form that you requested. Please read all instructions carefully and provide the most accurate information possible. Do not hesitate to call if you have questions! **Applications should be postmarked no later than August 1, 2018, for first consideration.**

Please take note of the following general guidelines for music scholarship applicants:

- Applicants must have had at least 1 year of prior study and must include a recommendation from their current or most recent teacher.
- Music scholarships are primarily awarded for students who are, or will be, enrolled in private lessons at Powers Music School. If a student participates in other activities in addition to individual instruction, this will be considered during the award process.
- Summer financial aid is limited to our full day programs – Pow Wow, Music on the Hill, Suzuki on the Hill, and Fiddlin' on the Hill. There is no summer aid for private lessons or group classes.

All scholarship applicants are considered on the basis of both need and merit; therefore, it is important that you submit the application with all supporting documentation by the postmark deadline. Late and incomplete applications will not be considered until all other applications have been processed.

Should you have any questions, please call the Powers Music School office at (617) 484-4696. We wish you the best in your artistic studies!

Sincerely,

Gavin Farrell
